

P4 First Entry Communal Doors

P4/44 for 44mm doors

P4/54 up to 60mm doors

Application

For communal doors where the deadbolt can be thrown from the inside of the room for privacy using the bowling ball turn.

The roller latch in the lock allows the door to be pushed and pulled open when unlocked.

Key entry from the outside with a Panic Cylinder that will override anyone holding the turn on the inside
